- Only groups of males OR females are to be in the changing facilities at any one time.
- A lock is provided on the changing room door so please keep the door locked when in use to prevent others entering from outside
- Please do not leave a mess as other people will need to use the facilities after you
- Please do not flush anything down the toilet except for the paper provided
- Please share the changing rooms with other members of the same gender where possible, this will help to reduce waiting times
